Correction Number: CP-1940
Log Summary: Correction of an incorrect datetime value.

Name of Standard:
PS3.17, MMMM.1

Rationale for Correction:
Content tree structure table: line of node 1.25.3.1 column “Code Meaning or Example Value”, which should be a datetime value, is 201810121958. This is obviously not a datetime value!

Correction Wording:
Change value of node 1.25.3.1 column “Code Meaning or Example Value” to 20181012121958, which represents the correct value 2018-10-12 12:19:58 in this example.

Accumulated changes to amend DICOM PS3.17 2019a as follows
(changes to existing text are bold and underlined for additions and struckthrough for removals):
