Topics

The meeting was called as an ad-hoc meeting, after the official IHE-RO Connectathon business at the Brainlab HQ in Munich, Germany.

Due to the unavailability of the co-chairs in the past weeks and with the WG-06 meeting coming up, the co-chairs asked the WG-07 members present at the IHE-RO Connectathon to meet in order to decide which new CPs are to be forwarded to WG-06 in the week of Nov 06-10, 2023 to not miss a WG-06 "CP cycle".

The intention of the meeting is not discuss any CPs substantially. This will be done at an upcoming regular WG-07 meeting.
