1. **Welcome and roll call-** The Co-Chairs welcomed the attendees.

2. **Opening-antitrust and patent statement-**

The antitrust and patent statements were read according to NEMA/DICOM guidelines.

3. Review, Revise, Approve Agenda

Added two items to the agenda: Membership changes and update on CP1971.

4. Review of previous minutes: Feb. 20, 2020

The group reviewed and approved the minutes after correction to record Bruce Rakes "Present".

5. Membership changes

Frederic announce his job change at IBA; he will no longer work on Ion Group's issues. The Group thanked Frederic for his service as Co-Chair and raised a virtual glass to his health.
David Wikler will steo in his place as IBA Representative.

Stephen announced that the Secretariat will issue to the Ion group a call for nominations which will be followed by a letter ballot vote for an Industry Co-Chair.

ACTION – Secretariat:
Conduct a call for nominations and subsequently an election by letter Ballot of a new Industry Co-Chair.

6. Update on CP-1971

Christof reported that the CP will be approved for Letter Ballot (49 days following the next week's WG-06 meeting.) Once approved in Letter Ballot the next WG-06 meeting will produce the final text; it should be integrated in the '2020c' version of the DICOM Standard.

7. IHE-RO_TPPC_v13 profile—
ftp://medical.nema.org/MEDICAL/Private/Dicom/WORKGRPS/Wg07/WG07-Ion/IHE- RO Profile/

The TPPC is in Public Comment.
Bruce Rakes led the discussion on the need for the next similar profile for treatment record. The Group concurred.

ACTION – Bruce:
Bruce will work on a first draft and will present it at the next t-con (May. 7)

8. Supplement 215-RT Ion Radiation Objects (2nd Gen) [WI 2017-06-B]

Jim Percy presented Version 7 of Sup 215, which contained Jim's questions to the Group. The issues were discussed and the resolutions were noted in the document. Jim will post the marked up document as Version 8, in today's meeting folder. The discussion of Sup 215 will continue at the next Group t-con (May 7)

ACTION – Jim:
Will post Sup 215 Version 8 in the meeting folder. Will continue developing Sup 215 for discussion at the next t-con (May 7)
