- **Antitrust and patent statement:** NEMA Antitrust and DICOM patent statement were reviewed.
- **Review, revision, approval of agenda:** agenda was reviewed and approved.
- **Review and approval of previous minutes (19 May 2020):** the minutes were reviewed and approved.

## 2. CP Review

- CP 1992: Implant MR Safety – The group was asked for feedback. Wim will upload it to the FTP so the group can provide further comments.

## 3. Supplement 218

- Thomas Mangold presented Supplement 218 to WG-06 in January 2020. The group reviewed Version 03 of the Supplement and added the following open issues:
  - How to change the current contrast information or enhance it to a linked contrast reporting?
  - Added “reconstruction technique” in the SOP Classes section (line 210). A good definition is needed of Reconstruction.
- **Action:** Reach out to scanning acquisition members to see if the performed MR acquisition module attributes models are sufficient.

## 4. Old/New business

## 5. Next meetings

- a. **T-con** – **Action:** Shayna to send a doodle poll to the group for a call in August before WG-06 meeting
- b. **F2F** – none currently planned

## 6. Adjournment: the call was adjourned at 11:00am US ET.
