3. ETS liaison

On January 16, 2019, an email was sent out on behalf of the Electronic Services and Tooling Group to Co-Chairs of WG-20 II asking for a liaison from WG-20 II. Their goal is to have a designated liaison with each workgroup that can be a communications point-of-contact in regards to questions related to services and tooling within the purview of our workgroup. They are not asking for a formal commitment with this, but a point of contact.

Decision: The Secretariat of WG-20 II, Luiza Kowalczyk, will be the point of contact, who will route the information to a key member or the chairs if there is a need.

4. Update on Co-Chair Elections for WG-20 II –

- There were 2 write-ins candidates: Chris Carr, RSNA and Elliot Silver, Change Healthcare.
 - Elliot can't accept the nomination due to a change in his work responsibilities.
 - Chris will give us a final answer in 2 weeks, sometimes around Feb. 7th.
 - Another election will be at the May WGM in Montreal, Canada.
 - We also need a temporary co-chair between now and May.
- Please let us know if you are willing to step in as a co-chair of WG-20 II. We will greatly appreciate that.
