The agenda was reviewed and approved.

## 3 REVIEW MINUTES

The minutes of last meeting from October 12<sup>th</sup> , 2021 were reviewed at the end of last meeting on Oct. 12<sup>th</sup> 2021.

Minutes of CARS Conference on 2021-06-24 is still missing;

The meeting minutes of today's meeting were reviewed at the end of the meeting on 2021-12-14.

## 4 TOPIC ITEMS DISCUSSED

- Current Status of work-item proposal 3D Video localization (Marc et al.)  
Could not attend the DICOM WG-6 meeting in Chicago, thus no changes in status of the current work as *change proposal*. Marc tries to present at next WG-06 meeting in January 2022.
- Information about WG-24 Meeting at CARS conference 2022 in Tokyo (Oliver)  
Heinz Lemke confirmed a time slot at next conference. Our WG is very welcome. Timeslot is expected to be clear at march 2022. Our expectation is that the meeting will be hybrid.
- Work-item Laparoscopic Cholecystectomy Report (Oliver)  
no news. The student's results were not convincing. We try to find other studies to continue working in this topic.

## 5 OLD BUSINESS/NEW BUSINESS

- Landscape of 3D and stereoscopic imaging formats (Ron Schilling, Leonard Berliner). presentation is planned for the future.
- Reproducibility of results (Paul)  
Please provide some input which shows the problem and ideas to discuss.
- AI and WG24; use in surgery. AI topics are covered by DICOM WG 23.  
Ron will sent some input
