*Not present at two consecutive meetings and therefore not counted for quorum during this tcon

Others (Observers, Alt-voting, staff) Present
Cerescan  Logan Langholz, Observer
Leica Biosystems  Ian Gabriel, Observer
1. **Administrative Items**
   - The teleconference was called to order and a quorum was present.
   - Antitrust and patent rules were reviewed.
   - The agenda was reviewed and approved.

2. **RestFul3D**: Steve Nichols led the group through a review of the RestFul3D draft.

3. **CP-2040**: The group reviewed Kevin O’Donnell’s draft of CP-2040 and the comments that WG-06 had for the CP at their last meeting. Close attention was paid to rendered, instance, and bulk-data resources. More work is needed to get this CP ready for the March WG-06 meeting, so the group agreed to hold another 2-hour conference call outside of the monthly call schedule.

4. **New supplement suggestion: NumPy Rendered Media Type for Applications (Brian Bialecki)**: did not get to this item; will discuss on a future call.

5. **Supplement 211 DICOMWeb Support for Retrieve via Application/ZIP [WI 2018-09-C]**: did not discuss.

6. **Old Business**
   - DSC requested a status update on Sup193: not discussed
   - Suggestion from DSC about potential connectathon-type of event: not discussed

7. **Next Meetings** (see the DICOM calendar for additional information)
   - Next call: The group decided to hold another call before the regularly scheduled monthly call to finish CP-2040. **Action**: Shayna to schedule a call on February 17, 2021 @ 1-3pm US ET.
   - Then, we will hold the monthly tcon as usual on February 22, 2021 @ 1-2:30pm US ET.
   - In person: TBD

8. **Adjournment**: the call was adjourned at 3:09pm US Eastern.
