- What should this WG take on next?

Discussion focused on webinar the Co-chairs along with the main author of Sup223 will present on Sept 28 at 1 PM ET to educate the SIIM Imaging Informatics Community, and the larger medical imaging community.

The webinar will focus on a high-level overview of the supplement + use cases, examples/stories, and will have Q&A.

Schedule prep-call for Sept 20 at 10 AM ET.

Harry Solomon to complete the webinar planning form (title, description, objectives) and share with Chairs to finalize before sending to SIIM.

SIIM will develop webinar and promote it.

We will cancel the next call since it conflicts with the webinar, next call to be on Oct 12.

Harry Solomon mentioned that he already submitted a change proposal item to the supplement to WG-06 on initiating production of an inventory & ability to use existing inventory.
