**Log Summary:** Fix QIDO-RS user agent Query Parameter Requirement

**Name of Standard**
PS3.18

**Rationale for Correction:**
The existing requirement text from Sup 183 was copy-pasted but not updated appropriately. (Further, Table 8.3.4-1 has no Resource Categories column.)

**Correction Wording:**

*Modify PS3.18 10.6.1.2 as shown*

10.6.1.2 Query Parameters
The origin server shall support Query Parameters as required in Table 8.3.4-1 for the corresponding Resource Categories.

The *user agent* or *origin server* shall supply Query Parameters as required in Table 8.3.4-1 for the supported Resource Categories.
