Suggested Wording of change 1. Replace first paragraph with: Pixel Data (7FE0,0010) for this image. The order of pixels sent for each image plane is left to right, top to bottom, i.e., the upper left pixel (labeled 1,1) is sent first followed by the remainder of row 1, followed by the first pixel of row 2 (labeled 2,1) then the remainder of row 2 and so on. 2. Change the definition of (60xx,0050) to include the following as the last sentence: Rows and columns are numbered from 1.
