Correction Number CP-2488
Log Summary: Replace DCM code for Margin with SCT code
Name of Standard PS3.16 2025c
Rationale for Correction: During the review of CP 2408 it was noticed that there are DCM and SCT codes for Margin/Margins/Marginal. SCT:112233002 "Marginal (qualifier value)" has Marginal, Border, Margin, and Verge as synonyms. Replace DCM:111037 with SCT:112233002 throughout. Harmonize meaning to singular noun form "Margin", since uses as a noun refer to singular margin of a lesion, even though there may be multiple characteristics of that margin.
