

## DICOM Correction Item

Correction Number		CP-727
Log Summary: Correct duplicate responsible organization definition		
Type of Modification	Name of Standard	
Addition	PS 3.3, 3.6 2007	
<p>Rationale for Correction</p> <p>The name "Responsible Organization" was used in two places, once to define the responsible organization for coding schemes in the SOP Common Module and more recently in the veterinary CP 643 to define the responsible organization for the patient.</p> <p>Since these attributes serve different purposes (and have different VRs), it is proposed to rename one of them to avoid a conflict. Note that this does not affect implementations, only the documentation.</p>		
<p>Sections of documents affected</p> <p>PS 3.3 C.12.1</p> <p>PS 3.6</p>
